Academy members are required to complete a minimum of 20 volunteer hours to be eligible for graduation. All volunteer events must be pre-approved by Student Activities in order for hours to be considered valid.

I certify that all dates, events, services and hours written on this form are correct. I was present and actively volunteered during the hours written on this form, and I received no reimbursement or payment for my services. I understand that hours completed that were not pre-approved by Student Activities will not count towards the total.
